[Amendments to Chapters II, V and XIII, Part I, and in Chapter III, Schedule I, Part II, and sections of Schedule VI, Part II, of the General Rules of 1908, for working open lines of railway.]

In view of Rule 108 (d) (4) of the General Rules for working open lines of railway which these amendments is proposed to be given when the line is clear up to the Home Signal, if an approaching train or an advanced train is provided, the Railway Board have been advised that General Rule 110 should allow standing in the face of an approaching train in such circumstances up to the Home Signal and they consider that an amendment in this rule is necessary. As a consequence of the removal of General Rule 110, it is also necessary to revise Rules 14 (d) and 117 of the Open Line General Rules.

2. It has been suggested to the Railway Board that all details regarding the widening of lines after fence should be incorporated in the General Rules, and they consider that this is necessary.

3. Since the issue of Railway Board's Resolution No. 195-C-14, dated 6th August 1912, certain further amendments have become necessary in the revised rules regarding the parking and unloading by Railway Board's Resolution No. 192-C-57, dated 11th June 1913.

4. In revision, therefore, of the powers conferred by the Notification of the Government of India in the Department of Commerce and Industry, No. 261, dated the 24th March 1905 (IX of 1905), the adoption by the administration of all lines of railway in British India administered by the Government, and for the time being used for the public carriage of passengers, goods and mails, of the amendments specified in the annexed hereto, to the General Rules of 1904 for working open lines of railway.

5. The Railway Board also desire that the said amendments may be brought to the notice of the administration of the several railways not administered by the Government and that the Agents of those railways may be desired to submit a formal application for the adoption of the said amendments on their respective lines.

3. The parent or guardian of an unprotected child whose residence is changed from a municipality to a place either within or without that municipality or from any place outside the municipal limits to a place within that municipality shall, within three days of such change, notify the change to the Chairman or any other officer authorized by him in that behalf, specifying full particulars as to the address of the child at the new residence.

4. (1) A vaccinator in whom a child is taken for vaccination shall, if he feels that such child is not in a fit state to be vaccinated, deliver to the child's parent or guardian a certificate to the effect that the child is then in a state unfit for vaccination. The said certificate shall remain in force for the time specified therein (not exceeding three months) and may be renewed if necessary. The cause of unfitness shall be distinctly specified in the certificate.

(2) If the vaccinator is of opinion that the child is in a state fit for vaccination, he shall forthwith vaccinate the child and deliver to his parent or guardian a memorandum stating the date on which the vaccination was performed and that on which the child is to be inspected in order to ascertain the result of the operation.

5. (1) On the date of inspection, given in the memorandum, and at the time appointed by the vaccinator the parent or guardian of every child who has been vaccinated under the last preceding rule shall take him or cause him to be taken to the place appointed for inspection.

(2) If the vaccinator finds on inspection that the vaccination has been successful, he shall give to the parent or guardian a certificate to that effect.

(3) In the event of the vaccination being unsuccessful, each parent or guardian shall, if the vaccinator so directs, cause the child to be forthwith again vaccinated and subsequently inspected as on the previous occasion.

6. If the vaccinator is of opinion that a child who has been three times unsuccessfully vaccinated is incapable of vaccination, he shall deliver to the parent or guardian of such child a certificate to that effect.

7. Any parent or guardian who procures the vaccination of an unprotected child by a vaccinator not employed by the Council shall forward a certificate of successful vaccination to the Chairman or any person authorized by the Chairman within fifteen days from the date of vaccination.

8. The Chairman may cancel any certificate given under these rules, if it is proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected child, and thereupon such certificate shall no longer be valid and notice of such cancellation shall forthwith be given to the party concerned.

9. No fee or remuneration shall be accepted by a municipal vaccinator for any vaccination performed or certificate given under these rules. Where, however, a parent or guardian desires to have his child vaccinated at his own residence, the Chairman or any person duly authorized by him may, upon application by such person and upon payment of such fee as the municipal Council may have prescribed in this behalf, direct a vaccinator to perform the vaccination at the residence of such person.

10. If the Chairman, or any person authorized by the Chairman in that behalf, has reason to believe that there is an unprotected child in any house, he may call upon the parent or guardian of any child in the house or other person having custody of the child above to produce for inspection, between 6 a.m. and 8 p.m., all the children in the house or under his care, and to state their age, percentage and place of birth and the duration of their residence in the municipality; such he shall, if on such requisition the parent or guardian or other person having custody of the child refuse to produce such children for inspection, or if, after inspection, the fact is proved to his satisfaction that any child is unprotected and fit for vaccination, deliver to such parent or guardian a notice to be affixed to his house or notice requiring that the child be vaccinated within 72 hours at a time and place to be specified in the said notice. The person to whom the notice above referred to is given or at whose house the notice is affixed shall be bound to comply with it, unless he can produce a certificate stating that the child has already been successfully vaccinated or is either unfit for, or incapable of, vaccination.

11. (1) Any person who, in contravention of the provisions of these rules,

(a) neglects without reasonable excuse to take or cause a child to be vaccinated, or after vaccination is to be inspected on a date to be fixed by the vaccinator,

(b) neglects without reasonable excuse to notify the change of residence or arrival of an unprotected child as required by rule 3,

(c) neglects to forward a certificate of successful vaccination under rule 7,
